‘Baby’ is fibre from the first shearing only.

Due to the fibres being natural, there will be variations in shade. I feel this adds character to the finished item. Please note, the brown and black fibres are from older alpacas and may only be suitable for felting. I do not dye Suri fibre.

Introduction to spinning course

Want to learn to spin but don't know where to start?

I work from a small studio in the grounds of our small holding and am offering a one to one introduction to spinning for absolute beginners, including fleece preparation, hand and drum carding and wool combing. Dates to suit including weekends. Course will run from 10am to 4pm approximately, with an hour for lunch. Please get in touch to book a place or discuss requirements.

What's included in the price?

- Light lunch, tea and coffee.
- Use of wheels (or bring your own).
- A variety of fibres to try.
- A visit to our alpacas (weather permitting!).
- Bag of alpaca fibre carded by yourself and ready to spin to take home.
- Deposit on booking required.

Cost £65.00

Tuition also available by the hour, cost £10 plus materials.
